About Us

Welcome Message

Western Foods Co., Ltd (WEFCO) is a trading company specializing in **agricultural and food products sourced from Asia, with a strong focus on Vietnam**. We are dedicated to delivering high-quality goods from trusted regional suppliers and local Vietnamese farms to customers both domestically and internationally.

At WEFCO, we strive to build sustainable partnerships based on **transparency, efficiency**, and a shared goal of achieving the **most optimal, reasonable, and realistic pricing** for all parties.

MR. PHAM TRUNG KIET
CEO - Founder Of WEFCO

WEFCO ensures strict adherence to **quality and food safety standards**, and we work closely with production plants to manage every stage of the cooperation process — from **factory visits and contract negotiations** to establishing **long-term collaboration frameworks**.

At WEFCO, we also place strong emphasis on professional communication and reliable service, aiming to foster long-lasting trust with our customers and partners.

As a member of Fox Group, we aim to make progress not only in the business field but also in minimizing negative impacts on the environment, paying attention to annual social work about people. Each day, WEFCO Vietnam is steadfast in its commitment to excellence across the board.

Our Brand

Wefinest represents the essence of Vietnam's finest rice — where purity, aroma, and tradition meet modern quality. Specializing in **premium rice varieties such as ST25, ST24, Jasmine, and Fragrant Rice**, Wefinest reflects WEFCO's commitment to authentic taste and international standards. Each grain carries the pride of Vietnamese heritage to global tables.

"We" from WEFCO and **"Roll"** from rice paper — WeRoll symbolizes the rolling of tradition into modern culinary art. The sun-inspired logo represents warmth and connection, embodying Vietnamese craftsmanship. Offering **rice paper and flour-based rolls**, WeRoll preserves authentic flavor while achieving export-grade quality for global kitchens.

Sweetora is a world of refined sweetness — sharing joy through taste and tradition. More than candy, it's an experience of warmth, family, and celebration. The brand offers **candies, jams, sweetened fruits, and festive cakes**, perfect for **Tet gifts and joyful gatherings**, combining Asian soul with global standards.

Stillness is inspired by the beauty of silence — a gentle pause in the rhythm of daily life. More than just a cup of tea, it is a ritual that restores balance and serenity to the mind. Made from **natural flower teas such as butterfly pea, jasmine, chrysanthemum, and sophora**, Stillness brings the essence of calmness into every sip, allowing you to reconnect with yourself and embrace peaceful living.

Chefry merges "Chef" and "Fry," expressing trust in a chef's hand and the crisp perfection of fried foods. With a modern yet homemade spirit, Chefry delivers **fried shallots, garlic crisps, and savory toppings** that add aroma and texture to every dish. It's where convenience meets authentic flavor.

"Verve" for energy and **"Vegan"** for a plant-based lifestyle — Vervegan celebrates vibrant vegetarian cuisine. It offers **vegan dishes, tofu-based items, and plant-based snacks** full of creativity and balance. Vervegan reflects enthusiasm for wholesome living and sustainable Vietnamese food.

Wefarm stands for "From farm to freezer" capturing the freshness of Vietnam's agriculture at its best. It offers **frozen fruits, vegetables, and herbs** such as durian, mango, passion fruit, and lemongrass — all traceable to local farms. Wefarm is WEFCO's core line, ensuring natural flavor and consistent quality worldwide.

Regan combines Regal (royal) and Organic — symbolizing natural luxury. The brand presents **premium tropical fruits like durian** - representing the "royal fruits" of Vietnam. Regan celebrates purity, excellence, and the pride of tropical origins.

Inspired by the bright, joyful hue of tangerines, **Tangerinefood** embodies celebration and nostalgia. Using the simplest local ingredients, it crafts **traditional Vietnamese cakes** such as cassava cake, sticky rice with gac fruit, and banana cake. Cheerful, colorful, and deeply cultural, Tangerinefood brings familiar flavors to modern consumers.

Golden Cradle symbolizes warmth, heritage, and the nurturing cradle of Vietnamese traditions. Each cake tells a story of family and countryside love. **Featuring specialty Northern and Central Vietnamese cakes — sticky rice, mung bean, and savory rice cakes, tapioca dumpling**, flat rice dumpling, Golden Cradle carries cultural soul wrapped in care.

Where **"Frozen"** meets **"Sea"** — Frostsea preserves ocean freshness at its purest. The brand provides **frozen fish, featherback fish paste, mackerel, shrimp, and assorted seafood**, maintaining natural texture and flavor. Frostsea delivers the taste of the sea — safe, nutritious, and ready for export.

Umaru embodies Japanese balance — refined, fresh, and harmonious. It brings **Japanese condiments and accompaniments** such as wasabi, pickled ginger, roasted seaweed, and fish roe. Rooted in precision and quality, Umaru ensures every meal carries the spirit of authentic Japanese dining.
